

# Speeding Up To Slow Down

## Better Than Ezra

If they calm you down  
Then excite them  
If they call you out  
Then ignore them You're speeding up  
You're speeding up, yeah  
You're speeding up  
To slow down, yeah When they all believe  
You reject it  
When they all are for  
Be against it You're speeding up  
You're speeding up, yeah  
You're speeding up  
To slow down, yeah If they call you out  
They will tear you down  
When your world falls in  
Then they'll leave you dry You're speeding up  
You're speeding up  
To slow down  
Down, down, down
