23 seconds, all things we love will die
 23 magic, if you can change your life
 Your tainted heart, your tainted heart
 my tainted love, my tainted love
 repent now

How many times ?
 As long as you live, how many times ?
 The world will go around
 He was a friend of mine
 he was a son of god
 he was a son of a gun
 He was a friend of mine
 he was a son of god
 he was a son of a gun

23 seconds, in you I see a chance
 23 magic, if you change the name of love

Your crazy heart, your crazy heart
 my crazy love, my crazy love
 repent now

How many times ? As long as you wish
 How many times ? The world will go around
 How many times ? As long as you want
 How many times ? The world will go around
 He was a friend of mine
 he was a son of a gun
 he was a son of god
 He was a friend of mine
 he was a son of a gun
 he was a son of god
 He was a friend of mine
 he was a son of a gun
 he was a son of god
