

I Would Do It for You

Jesse Malin

I don't know you found me here
I'm not listed down in any place
I don't do much I go to work But I would do it for you
I would do it for the old times I don't feel I owe you anytime
We were young and we lucky then I would do it for you
I would do it for the old times
I would do it for you Oh, here we go
Do it one more time
Pack your bags and go
Meet me down tonight I always thought I'd make it on that hill
I need this more than you know
I don't talk like this with anyone Oh, here we go
Do it one more time
Pack your bags and go
Meet me down tonight Oh, don't be late
Time ain't on our side
