Rebecca

PJ Harvey

I'm walking slowly, about the sea
Lover by lover, I pass them on the beach
The sun is shining, so bright today
Your voice is singing to me, across the wavesAhThere's a young boy, makes eyes at me
Does he mouth my name, or is this just a dream?
I know inside that I can really love
The waves are glistening, like heaven from aboveAnd here we'll stay
And sing forever of peace
I know we found love here by the seaCould this be heaven, could this be peace
No more than sunshine and sand and waters deep
I'd always dreamed that life could be like this
Forever high and sigh from kiss to kissI know I've found love here by the sea
