You Only Live Once

Daywalker & CF

Push your care, push your burdens aside.
Erase everything inside and leave just one thing on your mind.
You only live once so just go fucking nuts.
Live life hard.
Live life hard.
You only get one shot.
So shed every breath you take, you're dying.
With every step we take we're falling apart.
We only had one chance.
We pray.
Let's take this chance right now, lets go.
You only live one life.
For the rest of time.
So make every second divine.
Go!
Live life hard.
Live life hard.
No use ?

With your heart that's beating inside
That keeps us alive.
And for the very first time we're pushing aside.
So surrender everything that you see in my eyes.
As everyone ?
For the very first time
For the first time.
Pushing worry aside.
For the first time.
Pushing worry aside.
Erase everything inside.
Erase everything inside.
Erase everything inside and leave just one chance.
You only get one shot.
You only live once so just go fucking nuts
You only live once so just go fucking nuts
You only live once, go fucking nuts
You only live once so just go fucking nuts
Live life hard
Live life hard

Live life hard
Live life hard
