

And Your Bird Can Sing

Helmet

Tell me that you've got
Everything you want
And your bird can sing
But you don't get me
You don't get me You say you've seen seven wonders
And your bird is green
But you can't see me
You can't see me When your prized possessions
Start to weigh you down
Look in my direction
I'll be 'round, I'll be 'round When your bird is broken
Will it bring you down?
You may be awoken
I'll be 'round, I'll be 'round
