

Somebody to Talk to

This Providence

I need somebody to talk to
But I pushed you away
I need somebody who understands
but it doesn't look like you're coming back
My sins caught up to you
I said, my sins caught up to you
I lost the best love that I've ever known
And it doesn't look like you're coming home

Chorus:

Even after all my mistakes
Even after all my mistakes
Even after all my mistakes
You came through

I hay-hay-hate this place
I said, I hay-hay-hate this place
A brightly lit tragedy: still and cold,
But I can feel the warmth of Your grace
But I can feel the warmth of Your grace

Chorus X 2

Bridge:

I believe in miracles
I believe in miracles
I believe in miracles yeah

I believe (Bridge in background)

I believe
I believe

Chorus X2

Even after all my mistakes
Even after all my mistakes
Even after all my mistakes
You were true
