

How Love Should Be (Acoustic)

Tyler Hilton

Mobile woman buckle down your boots
If you leave me, what else can I do
I've been a dancer, I've been a dancer all my life
But I'm not dancing 'round this one tonight
And I know I'd be doing fine Without you believin' in
Always picking up and thinking 'bout leaving
Once you stick around, then that's when I'll show you
Happiness the world can see
That's how love should be I'm not asking, I'm not on my knees
But I'm not quite the knight I used to be
And I know I'd be better off Without you believin' in
Always picking up and thinking 'bout leaving
Once you stick around, then that's when I'll show you
Happiness the world can see
That's how love should be I know, I'm ready but for what's the hard part
I'm being honest baby, if you're right at home
Why move it on Without you believin' in
Always picking up and thinking 'bout leaving
Once you stick around, then that's when I'll show you
Happiness the world can see
That's how love should be
