

Nowhere To Run

Martha and The Vandellas

Nowhere to run, baby nowhere to hide
I got nowhere to run, baby nowhere to hideIt's not love, I'm running from
It's the heartaches, I know will come
'Cause I know, you're no good for me
But you've become a part of meEverywhere I go, your face I see
Every step I take, you take with me, yeahNowhere to run, baby, nowhere to hide
Got nowhere to run, baby nowhere to hideI know you're no good for me, now
But free of you I'll never be, no
Each night as I sleep into my heart you creep
I wake up feeling sorry I met you, hoping soon that I'll forget youWhen I look in the mirror and comb my hair
I see your face just a-smiling thereNowhere to run, baby nowhere to hide
Got nowhere to run, baby nowhere to hideI know you're no good for me
But free of you, I'll never be
How can I fight a lover that's sugar sweet
When it's so deep, so deep, deep inside of meMy love reaches so high, you can't get over it
So wide, you can't get around, noNowhere to run, baby nowhere to hide
Got nowhere to run, baby nowhere to hideI know you're no good for me
But free of you I'll never beNowhere to run to, baby nowhere to hide
Got nowhere to run to, baby nowhere to hide
Nowhere to run
