

# (I've Got A) Happy Heart

**Susan Raye**

Happiness is something that we all need plenty of  
It starts from deep inside your heart when you've someone to love  
So if you're not as happy as you feel you ought to be

Find someone in this world to love and have a happy heart like meI've got a happy heart, I feel like I could  
almost fly

I think if someone shot me that I wouldn't even die  
Just find someone to live for and to love and then you'll see  
Why I've got this happy heart inside of meA smile is so becoming yet how many times it's true  
A person wears a frown 'cause it's a habit to be blue  
Sometimes it takes convincing that life can't be all that bad

Just take a look around you and you won't feel quite so sadI've got a happy heart, I feel like I could almost fly  
I think if someone shot me that I wouldn't even die  
Just find someone to live for and to love and then you'll see  
Why I've got this happy heart inside of me
