There Goes My Heart

Enuff Z'Nuff

There Goes My Heart Hello Monday you've been so bad,
Tuesday's used to make me so mad,
Wednesday is so lame I'd almost weep.
Thursday was the day I met her,
Friday everything got better,
Saturday I knew I'd get her,
Sunday sleep.
Well here I go again,
I'm standing toe to toe again.
I really love to be with you,
Cuz you get me so excited.
Ooo-ooh, there goes my heart.January always so cold,
February's got me so old,
March and April spring got in the way.
May, June, July so tender,
August, Sept., Oct., November's,
Gone but she came by December,
Saved my day.Repeat Chorus.Out of my mind, I want you all of the time.
I want to call you and say,
I want you all of the way.
There goes my heart...
