

# After Goodbye

Kym Marsh

I thought, I heard you whisper  
Between the broken light  
I turned to see, to see you fade away Sometimes, I sit and wonder  
Just how you could be gone  
And tell me why, forever couldnt stay Remember, never walk away  
Never walk away, we used to say  
I thought, we were here to stay  
Guess, we had to go our separate ways After goodbye, I remember you  
Youll always be a part of me Ill hold on to  
And after goodbye, no matter what I do  
Ill never be that far away, Ill be there for you Even after goodbye  
Ill still feel every tear-drop  
I keep them here inside  
But I always thought, I thought that we cant fight Remember, never walk away  
Never walk away, we used to say  
I thought that we were here to stay  
Guess, we had to go our separate ways After goodbye, I remember you  
Youll always be a part of me Ill hold on to  
And after goodbye, no matter what I do  
Ill never be that far away, Ill be there for you Even after goodbye, Ill always remember  
With every step I take, the dreams that we shared  
Ill never let them go, Ill hold them forever more  
I swear After goodbye  
(Goodbye)  
I remember you  
(I remember you) Youll always be a part of me  
(A part of me)  
Ill hold on to  
(Be a part of me too) And after goodbye  
(Goodbye)  
No matter what I do  
(Do) Ill never be that far away  
Ill be there for you  
Even after goodbye
