Kenja

Time can take everything that surrounds you
You can break from everything that confines you
 Some to trust, look in my eyes
 I will guide you, so I say
 Living to love could remind you
 You can't know follow
 What I say to you, take with you today
 The pressure it brings, alone, alive to know
 What I say to you, take with you today
 You can't take the pain to live to know
 You can't fake
 Everything that reminds you
 How you feel

Time will tell what's inside you
 You can't know follow
 You can't know follow
 What I say to you, take with you today
 The pressure it brings, alone, alive to know
 What I say to you, take with you today
 You can't take the pain to live to know
 What I say to you, take with you today
 The pressure it brings, alone, alive to know
 What I say to you, take with you today
 You can't take the pain to live to know
