

# What's Wrong With Me (Jim Noir Remix)

## Skye

I try not to think about the distance of the setting sun

I try not to think about the rain

I try not to think about the saints and sinners, who have more fun?

I try not to think about the rain

I try not to think about the evil empires and stupid fools

I try not to think about the rain

I try not to think about the regulations and the rules

I try not to think about the rain

Oh oh oh

What's wrong with me?

I try not to think about the money, the mortgage on my home

I try not to think about the rain

I try not to think about the voice mails, e-mails, angry females on the phone

I try not to think about the rain

I try not to think about the job and all responsibilities

I try not to think about the rain

I try not to think about my TV, BBC or MTV

I try not to think about the rain

Oh oh oh

What's wrong with me?

Oh oh oh oh

What's wrong with me?

I try not to think about the planets when they line up wrong

I try not to think about the rain

I try not to think about the future or the future, so on and so on

I try not to think about the rain

Oh oh oh

What's wrong with me?

Oh oh oh oh

What's wrong with me?
