

Liars And Monsters

Escape the Fate

How did this happen to me?
I guess I'm to blame
I'm laying faced down
On the pavement and I'm full of pain I just refuse to see
My mind is anarchy
Anticipating and debating
What is left for me I am a liar
I am no model figure
I am a monster
And I am ashamed Call me the Devil
My name's what you prefer
I come on shameless
But I am ashamed
I am ashamed I look for help
Can't find it anywhere
My own reflection
Is the one sight
That I cannot bear Look to the sky and find
Even the heavens cry
Anticipating and debating
What is left to life, life, life, life [Incomprehensible]
I am a liar
I am no model figure
I am a monster
And I am ashamed Call me the Devil
My name's what you prefer
I come on shameless
But I am ashamed
I am ashamed (I am)
I am a liar
I am no model figure
I am a monster
And I am ashamed Call me the Devil
My name's what you prefer
I come on shameless
(But I am ashamed) I am a liar
I am no model figure
I am a monster
And I am ashamed Call me the Devil

My name's what you prefer

I come on shameless

But I am ashamed

I am ashamed
