[Intro]

Time and time again, I tell you
There's no better love, than the love I give you
No matter where you go, or who you love
You'll never find a love like mine[Verse 1]
Lately I've been so into you
I can't begin to let you know
Sweetheart, I want to show you
That I can be more than you've ever had before
Make you my everything, and you'll have one hell of a man
I'll prove to you that I am down with you, girl
Put diamond rings on your hands, just let me know where we stand
And I'll be there to care, girl, I promise baby[Chorus]
There is just no better love, you'll never find a love
Who'll give you all the joy and all the things I do
There's just no better love, you can not get enough
Of my lovin', kissin' and huggin', baby[Verse 2]
Girl, you know I can not live without you
For a day in my life, no, I want you to be my wife
Girl, if we were ever apart, I'd be a lonely man
With no one else to hold on
It was deep in my heart to tell you the real
If you would only feel what I'm feelin', baby
Just bear with me now, I'm here for your love
And I'll be there to care girl, I promise, baby[Chorus]
There is just no better love, you'll never find a love
Who'll give you all the joy and all the things I do
There's just no better love, you can not get enough
Of my lovin', kissin' and huggin', oh babe[Chorus]
It's just no better love, you'll never find a love
Who'll give you all the joy and all the things I do
There's just no better love, you can not get enough

Of my lovin', kissin' and huggin', baby There...! [Hook]
You'll never get enough of my love, oh baby
Who gives you all the joy I do
I want to make sweet lovin' to you, oh...
Right on time when you need it, blow your mind, little sweetie
There is just, oh baby
There is no
Can't control my lovin', you're one of a kind
There is no love, no love baby, better than my lovin' sugar
Right on time when you need it, blow your mind, little sweetie
No love, no love baby, no love....!
Can't control my lovin', you're one of a kind [Chorus]
There is just no better love, you'll never find a love
Who'll give you all the joy and all the things I do
There's just no better love, you can not get enough
Of my lovin', kissin' and huggin', baby
