

Hey Stoopid

Alice Cooper

Hey, hey, hey, hey
Hey, hey, hey, hey
Hey stupidHey bro, take it slow
You ain't livin' in a video
You're flying low with a high velocity
No doubt, you're stressin' out
That ain't what rock 'n' roll's about
Get off that one way trip down lonely streetNow, I know you've been kicked around
You ain't alone in this ugly town
You stick a needle in your arm
You bite the dust, you buy the farmHey, hey, hey, hey, hey stupid
What ya tryin' to do?
Hey, hey, hey, hey, hey stupid
They win, you lose
Hey, hey, hey, hey, hey stupidC'mon girl, it's a better day
Get your foot out of that grave
Don't let that one love tear your world apart
C'mon babe, kick that stuff
But show the street it ain't so tough
Quit lyin' around with a crippled, broken heartNow, I know you've been seeing red
Don't put a pistol to your head
Sometimes your answer's heaven sent
Your way is so damn permanentHey, hey, hey, hey, hey stupid
What ya tryin' to do?
Hey, hey, hey, hey, hey stupid
They win, you lose
Hey, hey, hey, hey, hey stupidThis ain't your daddy talkin'
You know, I know
Your story ain't so shocking
You know, I know
Blow some steam
C'mon and screamHey, hey, hey, hey, hey stupid
What ya tryin' to do?
Hey, hey, hey, hey, hey stupid
They win, you lose
Hey, hey, hey, heyHey, hey, hey, hey, hey stupid
What ya tryin' to do?
Hey, hey, hey, hey, hey stupid
They win, you loseHey, hey, hey, hey

Hey, hey, hey, hey
C'mon man
What ya tryin' to do? Hey, hey, hey, yeah
If you do that
They win, you lose
Hey, hey, hey, hey, hey stupid
