

Teach Me How To Scream

Brokencyde

Scream my name
When I spit the flow
Big tits in the air at every show
I've got two bad bitches from Tokyo
They ride my dick like a rodeo!
I get crunk all night man don't ya know?!
Get crunk all night and smokin' dro
I've got two bad bitches from Tokyo
They ride my dick like a rodeo!
Ohh! dont act a bitch!
I smoke like a motherfuckin pack of cigs!
Play games
Got your girl backstage and we smash this game
now scream my name, like it's bout to get wild!
now scream my name, like it's going out of style!
Teach me how to scream teach me teach me how to scream ya!
Teach me how to scream teach me teach me how to scream ya!
[x4](haha)
Now touch ya toes!
Get loose lil mama get on the floor!
I know girls all 'cross the globe, and they know me by the pinocchio!
Woo! did I stutter man?

So clap those hands like you know you can!

They scream my thugs and go bezerk!
You dont even have to know the words!
Just shake that ass with no concern/
