

Heaven Help My Heart

Wynonna Judd

Two smilin' faces
That's how it used to be
What once was forever
Is now a faded memoryThe perfect illusion
For a while I guess it was
Without explanation
The bloom fell off the roseHeaven help my heart
'Cause it's a lot like me
I'm wonderin' when this all will end
And I'll find the love I needI know it's out there somewhere
Somehow I still believe
I'm asking please
Heaven help my heartThis world can get crazy
These are troubled times
I'd walk through the fire
If love is what I'd findIt's out of my hands now
So I put my faith in you
And I say a little prayer
And hope that it comes trueHeaven help my heart
'Cause it's a lot like me
I'm wonderin' when this all will end
And I'll find the love I needI know it's out there somewhere
Somehow I still believe
I'm asking please
Heaven help my heart
