

Looking For A Stranger

Pat Benatar

I had it with the same old routine
I had it with the same old faces, places
Everynight, in my life
I started feeling washed up, washed out
Hung up, wrung out, left to dry out
EverynightBut I know
Yeah, I know you're out there, somewhere
Oh, I, I can almost hear you callin'I'm looking for a stranger in the night
I need a little danger in my life, tonightI'm tired of the same old, "Hello baby, how ya doin'?"
Come here often? Where have you been all my life?"
Everynight, but I know
That someday, somewhere
I'll turn around and you'll be there, ooh, in my life
EverynightAnd I know
Yeah, I know you're out there, somewhere
Oh, I, I can almost hear you callin'I'm looking for a stranger in the night
I need a little danger in my life, tonightAnd I know
Yeah, I know you're out there, somewhere
Oh, I, I can almost hear you callin'I'm looking for a stranger in the night
I need a little danger in my life
I'm looking for a stranger in the night
I need a little danger in my life, tonight
