

Draw Your Swords

Angus And Julia Stone

See her come down, through the clouds
I feel like a fool
I ain't got nothing left to give
Nothing to lose So come on, love, draw your swords
Shoot me to the ground
You are mine, I am yours
Let's not fuck around 'Cause you are the only one
'Cause you are the only one I see them snakes come through the ground
They choke me to the bone
They tie me to their wooden chair
Here are all my songs So come on, love, draw your swords
Shoot me to the ground
You are mine, I am yours
Let's not fuck around 'Cause you are the only one
'Cause you are the only one
Only one 'Cause you are the only one
The only one
'Cause you are the only one The only one
The only one
The only one
The only one So come on, love, draw your swords
Shoot me to the ground
You are mine, I am yours
Let's not fuck around The only one
The only one
The only one
