

The One Rose

Johnny Cash

So blue lonesome too
But still true
Rosie haunts me
Makes me think of you You're the one rose
That's left in my heart
Dear, I love you
Adore you, I do Each night in dreamland we wander along
Telling love stories anew
When from a blue sky a black cloud came rolling
Breaking my heart in two Oh, we ought not to part
I have said from the start
You're the one rose
That's left in my heart
