

# I'm Coming Out (Live Version)

Chic

I'm coming out, I'm coming  
I'm coming out I'm coming out, I want the world to know  
I got to let it show  
I'm coming out, I want the world to know  
I got to let it show I'm coming out, I want the world to know  
I got to let it show  
I'm coming out, I want the world to know  
I got to let it show There's a new me coming out, I just have to live  
And I wanna give, I'm completely positive  
I think this time around, I am gonna do it  
Like you never knew it, oh, I'll make it through The time has come for me to break out of the shell  
I have to shout, "I am coming out" I'm coming out, I want the world to know  
I got to let it show  
I'm coming out, I want the world to know  
I got to let it show I'm coming out, I want the world to know  
Got to let it show  
I'm coming out, I want the world to know  
Got to let it show I've got to show the world all that I wanna be  
And all my abilities, there's so much more to me  
Somehow, I have to make them just understand  
I've got it well in hand and, oh, how I've planned I'm spreading love, there is no need to fear  
And I just feel so good everytime I hear I'm coming out, I want the world to know  
Got to let it show, yes  
I'm coming out, I want the world to know  
Got to let it show I'm coming out, I want the world to know  
Got to let it show  
I'm coming out, I want the world to know  
Got to let it show I'm coming out, I want the world to know  
Got to let it show  
I'm coming out, I want the world to know  
Got to let it show I'm coming out, I want the world to know  
Got to let it show  
I'm coming out, I want the world to know  
Got to let it show I'm coming out, I want the world to know  
Got to let it show  
I'm coming out, I want the world to know  
Got to let it show I'm coming, I want the world to know  
I got to let it show, I'm coming out
