Let Me In

Snowmine

Just want it,
And not to need it,
Makes me let it fall.
But then you let me in,
And I don't want it.
But you made me believe it.
So do I really? Do I really?If you could you keep it together
For a moment in time?
Then you'd see that I'd be,
Your excuse for a lover.
Your own mountain to climb.
You would see.I left my shoes under your bed,
but I left my body outside.
How did I get back into this mess?
I kept telling myself the temptations would do me in,
And they did.If you could you keep it together
For a moment in time?
Then you'd see that I'd be,
Your excuse for a lover,
Your own mountain to climb.
You would see. (2x)And I think I see this happening again
From my lonely point of view
See every time that I see you
I know this will happen again.If you could you keep it together
For a moment in time?
Then you'd see that I'd be...
