

# Let's Be Friends

## So Many Wizards

Friends

Friends

Friends

I guess you want to know why I got to go  
Knowing how I feel about ya  
I can go all night sing my our love  
But it's hard to fight this feeling, feeling inside  
Girl, I can not do what I want to do  
Momma said that we're movin' to fast  
If we hold on to and if love is true  
I know the day will finally come around  
Let's be friends 'cause I don't want to hurt you  
Let's be friends, I don't want to let you down  
Let's be friends, na girl, I don't want to hurt you  
Let's be friends, I don't want to let you down  
Girl if we explain why we must refrain  
Why we can't give in, we can only just be friends  
If you only knew what I'm going through  
I really want'cha but I can't stick around  
Girl, I can not do what I want to do  
Papa said that we're movin' to fast  
If we hold on to and if love is true  
I know the day will come but in the mean time  
Let's be friends, I don't want to hurt you  
Let's be friends, I don't want to let you down  
Let's be friends, I don't want to hurt you  
No  
You know you're the only one for me, girl  
You're the only one I need, girl  
Want you be my friend we can work it out  
Let's be friends let's be friends  
So hard to turn love down  
Friends  
Out it out  
I just can't stick around  
Friends  
Don't cha want be my friend  
I don't want to let you down  
Girl, I know how you feel about me

And I'm not knocking the way you feel  
But as you can see baby time is not on or side  
And for that reason we can't be together  
But I can assure you  
One day we would prove them all wrong  
But in the meant time love  
Let's just walk away and be friend's  
Friend's forever  
Soon enough it will be  
Just you and me  
We can work it out, we can work it out  
Yeah yeah
