

Across The Great Divide

[Semisonic](#)

Over mountains
That's where my love lives
A long, long ride to sunland
Here where I did this Across the great divide
Alone (wondering open afraid and)
Arriving alive
Unknown (unknown unwise and unaided) If I could I might
Send my love on a plane ride
A black cross high in a blue sky
A green cross gliding on a million pines Across the great divide
Alone wondering open afraid and,
Arrive in a life
Unknown (unknown unwise and unaided)
