You Got It Wrong

The Rasmus

When you found me on the street
Did you think you rescued me
Bet you thought without you would die
Like a snake you swallowed me
Took it till I couldn't breathe
Just to bring your fantasies to life
You count on the faithful to get your way
And to follow your lie

[Chorus:]
You got it wrong now
Cause I don't give a fuck
I'm not your believer
You got it wrong
So I guess you're out of luck
Your dream just lost a dreamer

Hold me with your mystery
Preaching peace and charity
But I see through your vanity and lies
You think you got the best of me
But I will rewrite history
I'll take back my life to your surprise
If I could make it as painful as you dig for me
I'd be just wasting my time

[Chorus]

There's a little part of me
That would like to see you cry
Even if it's just one tear
I know it would never dry

[Chorus]
