Lil Wayne

Advisory - the following lyrics contain explicit language:

Umm, I wouldn't care if you was a prostitute
And that you hit every man that you ever knew
See it wouldn't make a difference if that was way before me and you girl
And you don't ever have to worry about me long as you keep it real
Whatever's on your mind, speak on how you feelStay truthful to me and never lie to me
And don't you ever keep no secrets no matter
You know what I mean? Yeah
And if you don't then I'll explainUmm, I wouldn't care if you was a prostitute
And that you hit every man that you ever knew
See it wouldn't make a difference if that was way before me and you girl
And you don't ever have to worry about me long as you keep it real
Whatever's on your mind, speak on how you feelStay truthful to me and never lie to me
And don't you ever keep no secrets no matter
You know what I mean? Yeah
And if you don't then I'll explainYou could be my Mrs. Wayne, and we can do the damn thang
I had to tell my brother, man, I met a girl like you
And I ain't never met another girl like you
But I know what to do with a girl like you, I doI wouldn't care if you was a prostitute
And that you hit every man that you ever knew
See it wouldn't make a difference if that was way before me and you girl
And you don't ever have to worry about me long as you keep it real
Whatever's on your mind, speak on how you feelStay truthful to me and never lie to me
And don't you ever keep no secrets no matter whatever
You know what I mean? Yeah
And if you don't then I'll explainSee, I give up the game at the top of the arena
There's a jersey with my name, baby
What's happening, baby, what's happening, baby?
You know you need to roll with a champion, baby
And every time I see you I get asthma, baby
Like that's my, babyI wouldn't care if you was a prostitute
And that you hit every man that you ever knew
See it wouldn't make a difference if that was way before me and you girl

And you don't ever have to worry about me long as you keep it real
Whatever's on your mind, speak on how you feelStay truthful to me and never lie to me
And don't you ever keep no secrets no matter whatever
You know what I mean, yeah, uhh, yeah
Uhh, yeah, uhh, see, 'causeI ain't the kind that kiss and tell
But my man say that he really know you well
But I don't care, I wanna know you for my damn self
And even though stunnas say you scandalous
And you known to go from one man to the nextBut I don't care what he say, no, I don't care what he say
Because they can say what they want girl
But they will never change my views
'Cause they will never know you the way that I know you
And I'm trying to share the rest of my whole life with you
And if it gotta be a thong, so be it, baby
And if your friends can't understandYou don't need them, baby
You don't need 'em, baby
You don't need 'em baby
Don't need 'em, tell 'emNow let me hear you say I love it, baby
Say I love it, baby
Say I love it, baby
Say I love it, babySay I love it, baby
Say I love it, baby
Say I love it, baby
Ooh, I love it, babySay I love it, baby
Say I love it, baby
Say I love it, baby
Say I love it, babySay I love it, baby
I love it, baby
Say I love it, baby
Say I love it, baby
