Love Among Freaks

My love for you is like a truck, Berserker
Would you like some making fuck, Berserker
My love for you is like a rock, BerserkerThe Berserker is just so obscene
Likes evil people you know what I mean
He takes your soul and then just rips you apart
He'll steal your heartWould you like to smoke some pot, Berserker
My love for you is ticking clock, Berserker
Would you like to suck my cock, Berserker
would you like some making fuck, BerserkerOther song :
It's a meaningless end to the story
got no time for my forgotten glory
and now just when i know what i'm after
it just brings me to laughterjust save up all your nickels and dimes
let's see what you'll find
and you knowi guess i'm living day-to-day
Just hope that you get led astray
hell yeah
i guess i'm living day to day
hear what i sayjust save up all your nickels and dimes
let's see what you'll find
and you knowi just died for a peice of the pie but
i'd be glad to just feast on the pie crust
and now just when i know what i'm after
it just brings me to laughterjust save up all your nickels and dimes
let's see what you'll find
and you knowi guess i'm living day-to-day
Just hope that you get led astray
hell yeah
i guess i'm living day to day
hear what i sayIt's a meaningless end to the story
got no time for my forgotten glory
and now just when i know what i'm after
it just brings me to laughterjust save up all your nickels and dimes
let's see what you'll find
and you knowi guess i'm living day-to-day
Just hope that you get led astray
hell yeah
i guess i'm living day to day
hear what i say

oh yeah, ooooo.
