

# Comes To Tongue

## Deadstar Assembly

You said I'm sugar  
You'll taste it  
But it's another  
When you're next to me I see you feed  
I'm your selfish thing  
Keep on pulling strings  
And I'll be right there You want things  
But there so past you  
You see things  
When there's two You want me  
When it comes to  
Tongue  
You feel manipulated
