

Life Without You

Stevie Ray Vaughan & Double Trouble

Well, hello baby
Tell me how have you been?
We all have missed you
And the way you grinThe day is necessary
Every now and then
For souls to move on
Given life back againFly on, fly on
Fly on my friend
Go on, live again
Love againDay after day
Night after night
Sittin' here singin'
Every minuteAs the years go passin' by
By, by, by
A long look in the mirror
We come face to faceWishin' our love
We took for granted
A love we had yesterday
Life without you
