Tragic Flaw (Album Version)

Arkells

Oh don't say it just don't say it
Ah shit it just came out
Once again, I couldn't hold it in
That's my tragic flaw without a doubt
She's wearin' joggin' pants
She's buyin' sweat shirts
And you know that's fine with me
'Cause that might cover the chance
That another boy might seeThat she's
Beautiful
But she's going away
Everything that runs in my head
I just have to say
Because I'm selfish
And a bit insecure
But her reassuring words
Will always be the cureAnd I know there's gonna be nights
There's gonna be nights on the phone
When all we'll do is fight now
I got to remember now she's on her own
And I want to be the good guy so bad
In fact it's in my head
If she says something that bothers me just a ta a ad
I'll hold it in instead'Cause she's
Beautiful
But she's going away
Everything that runs in my head
I just have to say
Because I'm selfish
And a bit insecure
But her reassuring words
Will always be the cure
