Vulnerable

Tinashe

[Verse 1: Tinashe]
Once upon a time I was all alone
How you like me now? Do I turn you on?
Now I got you drunk, hot, and vulnerable
Show me what you want, give me what you want, want
Have to make you mine, get you on the floor
Yeah, watch me go to work, I'll put on a show
Now I got you drunk, hot, and vulnerable
Show me what you want, give me what you want, want[Hook]
Don't stop looking at me (x8)[Verse 2]
These niggas ain't mad about it
These niggas ain't nothing to worry baby
You got it got it
The way you run this shit, go big baby
Sure will
My berkin bag, banky bank
Hotel...
Oh yeah[Verse 3: Travis Scott]
You know what?
I'm that crazy motherfucker from the dust
You're the angel out of hell from the cross
Independent on this world, we in touch
Man I love when your ass start to fuss
And that crazy little face when you cuss
You love my crazy ass, it's nuts
Hand on the wheel, hand on my elephant tusk
Hand on her mouth, now you ain't gotta say much
Fuck, then she moan, give it like
Shut the fuck up!
That's why I'm in it and I can't get out it
You said it and then she can't figure it out
I hit the deep end just so I can swim on out
And once 'Ye finished, then I put my dick in her mouth
Bitch stop lookin' at me
Hold up
Bitch keep lookin' at me[Hook]
