Please Don't Go (Radio Edit)

Immature

[Chorus:]
Baby please don't go
Please don't go
Stay right by my side
By my sideRainy days bring back memories of you
And I will never lie
I want you by my side
Thinking of you
Makes me not want you to go
Please stay, stay with me[Chorus]Oh I can't face the fact
That I want you in my life
Don't Go my love I'll show
My heart I send to you
You are my friend
Don't leave I'll do anything you need
Rainy days brings back memories
Rainy days brings back memories
Rainy days brings back memories of you
Rainy days, rainy days brings back memories
Rainy days, brings back memories of you
Rainy days I think of youOh, baby please don't go, please don't go
Stay right by my side, stay by my side, by my side
Baby please don't go, please don't go
Stay right by my side, you're in my life, by my side
Oh ya

Please don't goPlease don't go
Rainy days, you, you, you, you
Stay right by my side
RainStay right by my side
Please don't go

Stay right by my side, by my side, in my life
Baby please don't go, please don't go, please stay
I need you back in my life
Oh ya, by my side, oh ya
Don't go, baby please don't go
