Must Be Love

James Gang

Lord I'm feelin'
Kind a weak in the knees
Somebody help me[CHORUS]
My head is spinnin'
But I can't get enough
Got the feelin'
It must be loveYou can't see
I ain't got much sleep
Bags under my eyes
[Repeat CHORUS]
Must be love, must be love
Woahh, oohhh, must be loveNow I enjoy the time I spent
A-livin' alone
But I've been thinkin' about
Sharin' my home
[Repeat CHORUS]
Friends say I'm crazy
I wonder if I'm not
Get so confused
My tip tongue gets all tied up in knots
[Repeat CHORUS]
Must be love, it must be love
Woahh, oohhh, must be loveI'm not complainin'
Because I'm feelin' so good
I never thought it
It would happen this wayA whole lotta lightnin'
Down from the sky
Hit me so hard it
Take my breath awayFriends say I'm crazy
I wonder if I'm not
Get so confused
My tip tongue gets all tied up in knots
[Repeat CHORUS]
Must be love
Woahh, oohhh, must be love
Woahh, oohhh, must be love
Woahh, oohhh, must be love
