

# Small Town Boy (Acoustic Version)

[Josh Kelley](#)

Everyone wants to be a small town boy  
With big town dreams in a small town world  
So i express your fears to a fresh pair of ears  
And I'll tell you once and then make you steer 'Cause I already know  
'Cause I already know Image is dead for the price of your sight  
So they'll say, then change your mind  
Express your tears to a new found fear  
And trust the one with the following cheer 'Cause I already know  
'Cause I already know Let's get out of here  
Let's get out of here So this is your chance don't mess it up  
Cause everyone is watching  
You know everyone is watching you  
So this is your dance  
Make of it what you will  
Cause you know everyone is watching you Let's get out of here  
Let's get out of here
