

Ooo Baby Baby

[Lenny Kravitz](#)

I did you wrongÂ
My heart went out to playÂ
But in the game I lost youÂ
What a price to payÂ I'm cryin'Â
Ooo baby babyÂ
Ooo baby babyÂ Mistakes I know I made a fewÂ
But I'm only humanÂ
You make mistakes too yeah I'm cryin'Â
Ooo baby babyÂ
Ooo baby babyÂ I'm just about it
The end of my row
But I guess I'm tryingÂ
I can't give up hopeÂ
'Cause I deal one day
That I hold you inÂ
And whisper, I still love youÂ Until that day is here
Oh, I'm cryin'Â
Ooo baby babyÂ
Ooo baby babyÂ
Ooo baby babyÂ
Ooo baby baby (baby baby yeah) Ooo baby babyÂ
Ooo my baby babyÂ Yeah, oh yeah
Come on I wanna be by your sideÂ
Yeah!Â
I'll never leave you, never leave you yeah Ooo baby yeah baby babyÂ
Ooo, ooo baby baby Â (baby baby) (yeah)
Ooo baby babyÂ
Ooo baby baby
