

Party All The Time

Black Eyed Peas

[Repeat: x4]

Party all the time

If if we could party all night
And sleep all day
And throw all of my problems away
My life would be easy
My life would be easy
I would drink and go out out
With my crew party party
All the time yeah that's what I do
I do Mac models pop bottles
Live like like a sheik
(party)
Monday through Sunday
Every day of the week
Hot octane light
In the fast lane zoom
And the joint don't pop till
I walk in the room
And the DJ's rocking my favorite tune
And their shaking up the speaker like
Boom boom boom

[Chorus]

If we could party all night
And sleep all day
And throw all of my problems away
My life would be easy
My life would be easy

If we could party all night
And sleep all day
And throw all of my problems away
Easy
Our lives would be easy
Life would be easy

[Repeat: x7]

Party all the time

If if we could party party party (hey)

Make that body down (yo)

Ladies don't stop it (no)

Shake it round and round

Feel that bass bumping

And rock to the beat

This beat is steady bumping

They jumping off their feet

Check it out

Ladies got their hands in the air

Shake it like you just don't care

Party it down like yeah (yeah)

Somebody say yeah (yeah)

Check it out

Check it out

What

Check it out

Check it out

Check it out

What

No you

Check it out

Check it out

What

Cold party all I like to do

Is turn it back

What ya gonna do

Party all night

And sleep all day

And throw all of my problems away

My life would be easy

(oh yeah)

Our lives would be easy

[Chorus]

I don't give a fuck

I'm about to get loose

I'm a tech-ch-ch-ch

Gos get drunk of goose

I'ma live my-y-y life

I'ma party all night all day any time

I don't care if it's right
I wanna party party party
Party all day
P-p-p-party party
Party all the way
I wanna party like Feliza
We don't need no visa
Party in Ariza
I don't need one either

Take me to the club

[Repeat: x3]
I need to dance

How bout a dance
Girl I'mma take you to the club

[Repeat: x4]
So we could dance

[Chorus: x2]

[Repeat: x7]
