

Girl In the Mirror (feat. SilentÃ³)

Sophia Grace

[Verse 1: Sophia Grace]

I wake up every day like hello, beautiful
Cause this world is so crazy and it can bring you down
You're too short, too fat, too skinny
Hey, well excuse me if I think that I'm pretty
So I don't care what you say cause I'm original
I'm learning how to love me from my head down to my toes
Let 'em know, let 'em know if you with me
Hey, cause I finally found the answer is in me[Pre-Chorus: Sophia Grace]

My mama she would say
Don't let 'em get you down
Had to learn to love me[Chorus: Sophia Grace]
That's why I'm talking to the girl in the mirror
Like even if you're down, better get up
Cause every set back's just a set up
For something just a little bit better
Oh, I'm talking to the girl in the mirror
Girl in the mirror
Girl in the mirror, girl in the mirror
Girl in the mirror, girl in the mirror[Verse 2: Sophia Grace]

Go to sleep at night with a smile on my face
Cause I know who I am and I can't ever be replaced
So go ahead, be proud, be different
Hey, thats what make you one out of a million[Pre-Chorus: Sophia Grace]
My mama she would
say

Don't let 'em get you down
Had to learn to love me[Chorus: Sophia Grace]
That's why I'm talking to the girl in the mirror
Like even if you're down, better get up
Cause every set back's just a set up
For something just a little bit better
Oh, I'm talking to the girl in the mirror
Girl in the mirror
Girl in the mirror, girl in the mirror
Girl in the mirror, girl in the mirror[Verse 3: Silento]
So bae you did it, you took it to the top
You gotta keep going, the grind never stops
Say you won't do what I won't do

Yeah girl, I'm watching you
You got that swagger, you got that glow
For all the doubters, just let them know
Count up more, for days just go
I love your soul and your rhythm flow
Like oh yeah, I'm like oh yeah
Put your hands in the air
That girl power, that girl power
Put your hands up for the girl power
I like it, I won't bite it
Keep it on cause I'm watching
Keep going, just kill it
So girl embrace your number one chance[Chorus: Sophia Grace]
That's why I'm talking to the girl in the mirror
Like even if you're down, better get up
Cause every set back's just a set up
For something just a little bit better
Oh, I'm talking to the girl in the mirror
Girl in the mirror
Girl in the mirror, girl in the mirror
Girl in the mirror, girl in the mirror
