Schizo

Radio Buchbrunn

Voices, can't keep the voices quiet
Orders, it orders me to riotIt's pressure all I feel
Life is too fuckin' realObey, they tell me to obey
No one hears the things
Nasty thing they sayIt's pressure all I feel
Life is too fuckin' realSex, violence, mutilation
Blood, hate, degradationIt's pressure all I feel
Life is too fuckin' real
Looking for a way out
But all I can do is shout
