Outro

Lil Mo

Just cause this is the end
Don't mean it gotta be over
Shoot we friends now, partner
Ooh based on a true story
You can say you really know me
Hope you feel what I go through
Cause I'm just like you
Home girls and relationships(All day)
Can not forget the kids
(Every day)
Beginning to the end
I gave you my lifeMy heart, my story, my everything to all of you
Is all of me, my story, my everything
My life, my heart, my story
My everything to all of you
Is all of me, my story, my everything
