I Don't Want to Let You Go

Rivers Cuomo

All the times you came to me and told me that you cared
I was dreaming of happy days that we both could share
Maybe I got too excited and maybe you freaked out
Maybe I just have to call you up and scream and shoutAll of my friends tell me that I ought to play it cool
No one likes too much attention from a desperate fool
Still I don't believe that I can keep it all inside
When I see your pretty face, I almost want to cryI know it isn't right
But still I have to fight
I have to let you know
I don't wanna let you goI remember the days when I was stronger than a wall
Try as anybody might, they couldn't move me at all
Now I fall to pieces when you softly call my name
Going up in smoke rings like a moth within your flame
I have lost all hope of being normal once again
I would be a slave to you until the bitter end
Even if it's a hundred years before you change your mind
I will be here waiting, girl, until the end of timeI know it isn't right
But still I have to fight
I have to let you know
I don't wanna let you goThe pain is killing me
But I can't let it be
I have to let you know
I don't wanna let you go
