

Gray

Justin Nozuka

Stars of gray
Come take my soul away
I lost my way
Come take my soul away
My soul away Mountain of gray
Come take my soul away
I've lost my way
Come take my soul away
My soul away Oh, oh, oh, sun
Oh, oh, oh, sun
Oh, oh, oh, sun My soul away
My soul away Take me, take me
My soul away
Take me gray, my soul away
Take me, take me gray I don't wanna lose you
I don't wanna lose you, baby
