

# It's Alright

## Seal

Say it's alright, say it's alright  
It's alright, have a good time  
'Cause it's alright, whoa, it's alright We're gonna move it slow when the lights are low  
When you move it slow, it sounds like more  
And it's alright, whoa, it's alright Now listen to the beat kinda pat your feet  
You got soul, everybody knows  
That it's alright, whoa, it's alright When you wake up early in the mornin'  
Feelin' sad like so many of us do  
Hum a little soul, make life your goal  
Surely somethin's gonna come to you And say it's alright, it's alright  
Say it's alright, it's alright  
It's alright, have a good time  
'Cause it's alright, whoa, it's alright Everybody clap your hands  
Give yourself a chance  
You got soul, everybody knows  
That it's alright, whoa, it's alright Someday I'll find me a woman  
Who will love me and treat me real nice  
Then my woe's gotta go and my love she will know  
From morning, noon and night  
And she's gotta sing that song right It's alright, say that it's alright, it's alright  
It's alright, have a good time, alright  
Whoa, it's alright It's alright, have a good time  
It's alright, everybody knows  
And it's alright 'cause you've got soul And it's alright, yeah baby it's alright  
It's alright, can you hear me singin' it's alright?  
It's alright, it's alright It's alright, it's alright  
Can you hear me singin' it's alright?  
It's alright, it's alright  
It's alright, it's alright
