

Drinking Side of Country

Bucky Covington

[Performed with Shooter Jennings] We played down in the ...
We smoked ... they turn into a bar
This pretty little red hair girl
Took our drummer to her car
They were getting hard and heavy
When someone ... said
"You ain't from around here
Get your hands off my sister" We roll, we roll, we roll, we roll
We roll down on the highway
On the drinking side of country
... ever's on the run So we went up to ...
Took some ... to the city
Like some old ... tourists
I got really ... and really silly
...
You hit some pretty slick
So we jam and then we split We roll, we roll, we roll, we roll
We roll down on the highway
On the drinking side of country
... ever's on the run... from Minnessota drinking
Champagne and Cola kept
...
She was trying to get me drunk
I said my heart don't belong to me
I left it back in Tennessee
She said
"Your heart ain't ... and I won!" We roll, we roll, we roll, we roll
We roll down on the highway
On the drinking side of country
... ever's on the run
x2 Oh no
