Radio Message

Tass II

This is a radio message to my baby
And I'm begging her, come back, come back
Come back, come back, come back
I'm sorry that I made you cry
I'm sorry for the rest of my life
And I'm sorry that I hurt you
Girl, I'm sorry for lying to you
And I'm lost without you
'Cause I'm all about you
Brought you here to stay, oh man, oh me
I'm going crazy 'cause I lost my best friend
Can you hear me, can you forgive me?
I don't want no tickets, no limo ride
I'm the next caller on the line
This is a radio message to my baby
And I'm begging her come back
Come back, come back, please come back
Won't you come back?
This is a radio message to my baby
And I'm begging her come back
Come back, come back, come back, come back
And I'm sorry for treating you that way
I'm sorry for all of the silly mistakes
Sorry I didn't do what I promised
And I'm sorry you're sorry that we ever met
And I'm lost without you
'Cause I'm all about you
Brought you here to stay, oh man, oh me
I'm going crazy 'cause I lost my best friend
Can you hear me, can you forgive me?
'Cause I don't want no tickets, no limo ride
I'm the next caller on the line
And this is a radio message to my baby
And I'm begging her come back
Come back, come back, come back, come back
Somebody let this record just rotate
'Til my baby come back let it rotate
'Cause I need, I need her right back with me
So let it rotate

Whatever it takes to play this record
I need her to hear this record
So please let it rotate
'Cause I'm the next caller on the line
This is a radio message to my baby
And I'm begging her come back
Come back, come back, come back, come back
This is a radio message to my baby
I'm begging her come back
Come back, come back, baby
I need you to come back
I need you to come back
I need you to come back
Need you to come back
Baby, come back, oh yeah
Please
