

Tiquette

Klischee

I am returning the ticket
I'm giving it back to you
Don't give me those sad eyes
And Stop asking me who There is no "who", believe me
I might meet him someday
So don't you give me a hard time
Dream, it's not too late I just returned the ticket
The ticket to your heart
But keep it somewhere safe
Cause the end is a new start A dream will never be enough
Is that what you mean?
Reality is all
And there's nothing in between? Yes it's hard to dance with stars
But even if you're right
You're not behind bars
You're free, so quit the fight Try a change of scene
And take a second glance
There are many different roads
To give us another chance You're out, you're down, you're through
You say you're through with me
That's never what i had in mind
If it was ever meant to be I just returned the ticket
The ticket to your heart
But keep it somewhere safe
Cause the end is a new start I need a ticket exchange
