heregoesnothin

Never Shout Never

Check, check one two, alright here goes nothinIf timings everything stop telling me you're taking your time
I know you're anxious but you're running your mouth like you're five
Years old again
It's so hard to pretendLike I know everything
I don't know anything
I wanted you to see
That I got nothinI'll sit back
And I'll watch the show
Yeah I'll watch the show
And I'll lay awake
And I'll watch the stars as they collideIn my eyes they don't see
And I don't breathe the way I used to
Yeah my lips whoa, they don't sing
And I won't be the way I was on that nightSteady breathing
Is all I can advise to a girl with a sweet tooth for revenge
I know I'm crazy but it's so hard to pretendLike I know everything
I don't know anything
I wanted you to seeI'll sit back
And I'll watch the show
Yeah I'll watch the show
And I'll lay awake
And I'll watch the stars as they collideIn my eyes they don't see
And I don't breathe the way I used to
Yeah my lips whoa, they don't sing
And I won't be the way I was on that nightWas the night everybody agreed I was wrong about you
I told them you were being so strong
I knew you were a liar,
I knew you were a liar from the startWas the night everybody agreed I was wrong about you
I told them you were being so strong
I knew you were a liar,
I knew you were a liar from the startDon't treat me like I'm playing a game
'Cause baby I don't want to lose,
Baby I don't want to risk it all for youIn my eyes they don't see
And I don't breathe the way I used to
Yeah my lips whoa, they don't sing
And I won't be the way I was on that night
