

# Yesterday Man

## Pirate Party Crew

I'm her yesterday man  
Well my friends that's what I am  
I'm her yesterday man  
Well my friends that's what I am  
That's what I am, her yesterday man

Please tell me something have you met an angel  
Someone too lovely to live on earth  
Well yesterday I thought I met an angel but  
She wasn't worth but she seemed to be worth

Oh, what a fool I have been  
I was shure taken him

Yeah, I'm her yesterday man  
Well my friends that's what I am  
I'm her yesterday man  
Well my friends that's what I am  
That's what I am, her yesterday man

Get some of the good kind and some of the bad kind  
Some of the others or in between  
But all that I can say she is the worse kind  
Well I think you know what I mean

And yet for all I say  
I take the bad any day

Now I'm her yesterday man  
Well my friends that's what I am  
I'm her yesterday man  
Well my friends that's what I am  
That's what I am, her yesterday man

Oh come a little closer baby don't get tell me  
You gonna leave me, you leave me, I know that, I know that...
