Crazy for You

Scars on 45

I've tried almost everything
To catch your attention tonight
You just turn a blind eye
Turn a blind eyeWell I only wish I had something to give
So I'd stop aimlessly wondering
Maybe someday soon you'll know that
Every single word that you say
Every little thing that you do
It's like a hurricane
'Cause I'm secretly crazy for youDarlin' every time that you leave,
You're making me feel so blue
Hiding my heart away
'Cause I'm secretly crazy for you
Yeah I'm secretly crazy for youOooohWell I've tried to declare how I feel
Through flowers and cards surrounded in mystery
I could shout from the top of my lungs
But the cat's got my tongue
The cat's got my tongueWell I only wish I had something to give
So I'd stop aimlessly wondering
Maybe someday now you'll know thatEvery single word that you say
Every little thing that you do
It's like a hurricane
'Cause I'm secretly crazy for youDarlin' every time that you leave,
You're making me feel so blue
Hiding my heart away
'Cause I'm secretly crazy for you
Yeah I'm secretly crazy for youOoohWell I only wish I had something to give
So I'd stop aimlessly wondering
How in the world can I make you see that
Every single word that you say
Every little thing that you do
It's like a hurricane
'Cause I'm secretly crazy for youDarlin' every time that you leave
You're making me feel so blue
Hiding my heart away
'Cause I'm secretly crazy for you
Oh I'm hopelessly crazy for you
Oh I'm hopelessly crazy for you
